James Smith

age: 34
residence: Cayce, SC
education: Undergraduate(USC Columbia)
occupation: Software Developer
marital status: Married w/o kids

"Anything that helps the community will end up helping me too."

James lives a comfortable life in West Columbia managing networks for a software and web development company. He often does not see meaning or purpose in what he does, so he recently turned to developing this website and app to help ex convicts and homeless people around the community, hoping that it will in turn make his home a better place overall.

MOBILITY LABS

Ezekiel Smith

age: 27
residence: Columbia, SC
education: Undergrad (Benedict College)
occupation: Garbage Man
marital status: Single /w Daughter (Hannah)

Can still feel the effects of 2020

He and his daughter live with his friend Kyle. He and Kyle split the rent at their apartment. During the day his daughter is in school while he is a garbage man for the city. Since he is always out he has to pay for a babysitter after school is out. He is also in debt to Benedict College. He is looking for a better-paying job to get him on his feet independently.
